

**FORD RIVER TOWNSHIP
NEW WATER SYSTEM HOOK-UP POLICY**

Effective October 10, 2011, the Ford River Township Delta County, MI, has established the following policy for any and all new or moved hook-ups to the Water System.

This policy will apply to individuals or companies requesting to be a customer at a new location other than one already established, as of this day, with a meter and meter pit.

The customer will be responsible to pay for all labor and materials to hook up to the system including, but not limited to, private line to the main line, K copper, corporation stop, curb stop, curb box and reach rod, meter w/remote, meter horn and 2 valves, meter pit, 2 FIP to compression adapters for pit, and labor. The customer is required to pay a \$1,500 deposit before any work is initiated.

The contractor may be chosen by the customer, but must be approved and hired by the Ford River Township Water Board.

Moved G. Boudreau, seconded C. Detiege, CARRIED, to approve this Policy. Upon a roll-call vote, the following voted:

Aye: C. Detiege, B. Charles, M. Wellman, G. Boudreau, and D. Wellman
