3. PUBLIC AND BOARD COMMENT

D. Jahnke voiced concern about this board approving over 80,000.00 for road improvements to the Delta County Road Commission. He feels the Road Commission is extorting the Township because if we do not contribute our roads will not be a priority to get repairs done. The Road Commission receives funding for roads and still solicits from the Townships.

R. Fettig "seconds" Mr. Jahnke's comments and concerns. Supervisor feels Dennis is right and doesn't understand how this got started in the past.

The Township will take a serious look into this for next year.

R. Fettig thanks the Township for updating the Township website.
